CLUB NOTES

THREE DEFEATS IN AWAY GAMES

Charlton Athletic, our visitors this evening, come in dire need of points, being definitely in the relegation danger zone with only 27 points from their 33 League matches so far played, and, therefore, may be expected to put up a determined fight to avoid a repetition of the result when we last met.

That was on November 14th, when North End ended an ominous sequence of six away defeats with a 3-2 win which started a timely revival, this and the next six matches yielding 12 precious points. We were in the mire then, and would be glad of two or three more points to get completely out of it.

For this is a season in which not one club in the bottom half of the Second Division at the present time can really claim to be safe. Only three or four teams may be said to have stood out above a moderate level, with the result that the competition has developed into one of the tightest in recent years.

This is very evident from a glance at the table preceding this match. Only 18 points separate Norwich City, third from the top, from the bottom club, and North End, half way up, are only eight points better off than Leyton Orient, this with 33 points from 35 matches.

Some supporters may have thought an alarmist note was sounded when our last home game, with Portsmouth, was regarded as vital, but events have justified the following comment made in the programme at the time: "Even with a point per match . . . the frantic struggle developing . . . shows we must not relax."

CLUB NOTES—continued

Those events are represented by three successive away defeats for North End after a splendid display and convincing 6-1 home win against "Pompey." It is the worst phase experienced since we were beaten 3-1 by Plymouth, 5-1 by Bolton and 3-1 by Southampton in consecutive matches early in September.

At the time the team was hard hit by injuries to several players, and the recent trio of setbacks is undoubtedly due in some measure to continued mis-fortune in this respect, with from five to eight players unfit during a period of 10 days. Once again the value of a settled team was illustrated.

Even so we had the chances to come out of those three stiff away matches with three points. The defence was solid on North End's first appearance at Selhurst and a draw would have been a fairer reflection than a 1-0 win for Crystal Palace. Then there could be no excuse for losing at Manchester.

This game, thanks to a strong fight back and another hat trick by Alex Dawson, was 3-2 in our favour after the City had been twice in the lead when North End came to grief through mistakenly falling back on defence. Had we gone on attacking the outcome probably would have been a rousing victory.

As it was, two soft goals were conceded, City winning 4-3, and another four let through by Swansea by a weakened team put North End in the unenviable position of having more scored against them this season than any Second Division side except Swindon — 71 to our 70.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

Spectators, particularly our Juvenile Supporters are requested to keep off the playing area. The practice of encroaching on the pitch can lead to incidents, which could result in the closing of the ground by the Football Association.

PLEASE SEE THAT THE PLAYING AREA IS KEPT CLEAR OF SPECTATORS AT ALL TIMES.

OUR VISITORS—*Charlton Athletic*

We sympathise with our friends from Charlton in that they are one of many former First Division clubs who are not finding life in Division II a bed of roses. It is eight years since this south east London club went down after a lengthy period in the top flight and they are no nearer getting back.

In fact they have known the travail and anxiety of struggling to keep their present status, finishing third from the bottom two seasons ago, and they come here to-day needing both points and more in the near future to turn their backs on the bogy of relegation. They have earned quite a reputation for reviving.

After being relegated in 1957 Charlton finished third in the table and their next best effort in Division II was last season when they dropped out of the promotion race after looking like dark horses and finished fourth with 48 points compared with 56 by North End who occupied third place for months.

Charlton did not come into being until 1906 and did not become a professional club until 1920. The following year they were elected to the League Division III South. In London they are popularly known as "the Haddicks" and play in a vast natural amphitheatre called the Valley which will hold 80,000.

There have been as many as 75,031 on it, nearly ten times as many spectators as have attended some matches there in recent years. The occasion was a visit by Aston Villa for a F.A. Cup-tie in February, 1938. The previous season, 1937-38, Charlton came near achieving an extraordinary feat.

They finished runners-up to Manchester City the League champions. The previous season Charlton were promoted as runners up to Manchester United, and a year earlier they were the champions of Division III (S.). Just after the war they were the defeated Cup Finalists and the following season won the trophy.

LANCASHIRE LEAGUE — DIVISION I

Tranmere Rovers "A" 2 v. North End "A" 5

North End took the initiative from the kick-off and fine work from outside left, Lee, enabled Greenhalgh to put North End in the lead. Tranmere fought back and managed to equalize just on half-time. In the second half completely dominated by North End, Greenhalgh gave them the lead and within minutes Hope, who was the games most outstanding forward had converted two penalties. With ten minutes to go Worden made the score 1-5 but Tranmere hit back to score a consolation goal just on time.

LANCASHIRE LEAGUE — DIVISION II

Tranmere Rovers "B" 0 v. North End "B" 1

A gusty wind and a rough ground surface were not conducive to good football. The defences were on top for most of the game. North End slightly the better side just about deserved to win, when in a goalmouth scramble a Tranmere defender, harassed by Mullen, put the ball into his own net. Brown, Mason and R. Johnson defended well for North End.

FOOTBALL SECTION

MANCHESTER UNITED Supporters' Club cancelled their visit to Willow Farm on Sunday at short notice and in a subsequently re-arranged fixture with Winter & Fishwick the Supporters lost 0-1 in blustery conditions.

At Manchester last Saturday morning the City Supporters' Club triumphed 4-1. Two of their goals, however, came in the last five minutes after the North End Supporters had been pressing hard for an equaliser. Roy Christopher scored for the Club.

LANCASHIRE LEAGUE — DIVISION I

Liverpool "A" 1 v. North End "A" 3

Liverpool, the League leaders, set off in fine style and soon had Stewart in action. Midway through the half Lee opened the scoring for North End. Wood increased the lead with a fine header after a fine cross from outside left Worden. Liverpool came back strongly and scored through Bennett, inspired by this goal Liverpool attacked strongly and only by sound defensive work were kept at bay. A through ball from Malley found Wood who made it 3-1 for North End in the closing stages.

LANCASHIRE LEAGUE — DIVISION II

Liverpool "B" 1 v. North End "B" 0

Injuries and promotions forced changes in North Ends team that faced a strong Liverpool side. With the wind behind them North End created chances in the first half which with better finishing would have resulted in them having the lead at half time. Liverpool scored midway through the second half when a hard low centre was turned into goal, and had another effort disallowed for offside. North End fighting back hard just failed to score the equaliser. Mason was again sound for North End with McNamee making a creditable debut at Left Back.
